

The background of the entire image is a soft-focus bokeh of warm, golden-yellow and orange lights, resembling out-of-focus Christmas lights or candles. The lights are of various sizes and are more concentrated on the left side, fading towards the right.

# **UPCOMING PLAYBILL ADVERTISING OPPORTUNITY**

## **MASTERWORKS CONCERT 2026**

We are excited to announce that our Masterworks Concert with Collierville High School, taking place in April 2026, will include a special Playbill advertising opportunity! Full details will be released in January, but we wanted to get this on your radar early.

If you own a business—or know of one—that would like to support this incredible concert, this is a wonderful chance to advertise to a large and enthusiastic audience. Our combined Masterworks Concert, featuring the Honor choirs of both schools along with full orchestra, is always a truly memorable and well-attended performance.

In addition to business ads, there will also be an option for family and friends to purchase student shout-outs.

Thank you for helping us continue to make this concert an extraordinary experience for our students and community!
