

Houston Choirs 2023-2024 Rosters

- Incoming freshmen and transfer students will not show on these rosters.
- If you auditioned and do not see your name, reach out to the director. A missing name does not indicate that you did not make a choir, it is most likely an oversight.
- The Treble choirs may be different next year and possibly combined to one Honors Treble Choir. We will not know this for a few more weeks.
