Dear Supporter of Houston Choirs and Collierville Singers,

We are pleased to announce a collaborative community concert with Collierville High School Chamber Choir and Houston High School Concert Choir. These two groups of students will join voices to present an evening of *Handel Masterworks* on Friday, April 14th, at 7:00 pm in the Pickler Auditorium at Collierville High School.

We are reaching out to you, our communities, to consider partnering with us in the hopes of making this event a successful night of celebrating the arts. The arts are so important in all of life, and perhaps most especially as they enrich our education system and the lives of children. Would you link arms with us to gift these students the opportunity to explore new music through the performance of challenging classical pieces and share that gift with their communities?

Do not hesitate to contact us with any questions you may have about sponsorship or additional opportunities to support Houston High School Choir or Collierville High School Choir.

We hope to see you at the concert!
